CATCHMENT GROUP

INFORMATION EVENING

Come and hear from industry experts on the topic of:

Freshwater Farm Plans

We are excited to invite you to a special information evening that we are hosting in your area.

Date: Thursday 20 July 2023

Time: 6.30pm – 9.30pm

Venue: Tokoroa Club, Chambers Street, Tokoroa

During this information-packed event, we have lined up some engaging speakers who will be able to share some insights into Freshwater Farm Plans and other changes coming in the near future.

Highlights of the evening include:

- Find out who needs a Freshwater Farm Plan and how the new process works.
- Ask the question: I already have a Farm Environment Plan (FEP), how does a FEP differ from a Freshwater Farm Plan?
- Hear from a range of milk processors on what's new for the industry and what they are doing to support their farmer suppliers.
- Freshwater Farm Plans will be required in parts of the Waikato region from 1 August 2023. They will be rolled out to all regions by the end of 2025.

Come along for an informative / networking evening
